Maximize the economic value of doing business with local suppliers while meeting purchasing needs through inclusive contracting and procurement.

ABOUT DCAP

The DC Community Anchor Partnership (DCAP) is a collaborative of local “anchor institutions” – hospitals, universities, and utility companies – harnessing their purchasing power to grow DC-based minority-owned business enterprises (DC MBEs).

CURRENT ANCHORS

DCAP helps its hospital, university, and utility company institutional partners. For a complete list of our current anchors, visit www.cnhed.org/DCAP or scan the QR code.
